Dearest Biota Team,

Thank you so much for all of your amazing effort in our engagement celebration. We, and our guests had a fantastic night. Biota looked divine, the service was exceptional and the food, delish! A truly memorable night!

Regards Chris & Karla

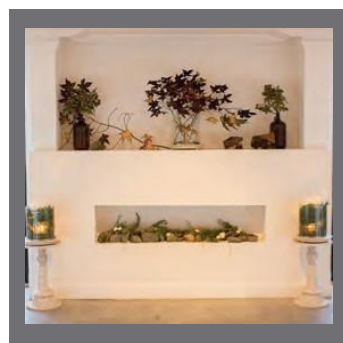

*Chris & Karla, Engagement Party, April 2013*

Thank you to the whole team at Biota,

We wanted our wedding reception to be warm, inviting with a casual feel so that our guests could be themselves. What amazing compliments we had and how beautiful the food was with all the various stations set up around the grounds. Watching sun set on the verandah and having breakout areas for guests to chill and chat made the night. We will be back to celebrate each anniversary

*Toni & Jock – 10th March 2013*

I just wanted to say a massive thank you to you, James, and the rest of your staff for making our wedding day so amazing. After having a number of beautiful meals at Biota before booking the restaurant for our wedding I had high expectations for our wedding day but I can say that the food, professionalism and attentiveness of your staff, the beautiful decorations (that just happened to match the ones we used perfectly) and attention to detail all surpassed our expectations. The food was to die for!!!!

We couldn't have been happier with how the day went, we got so many positive comments from our guests too, how could we ask for any more than that. Thanks so much Nell. We will definitely be back!!

*Nadia & Paul, Wedding, April 2013*

I'd like to thank you and the Biota Dining team for delivering an outstanding event for the EEAA 2013 Leaders Forum Dinner.

The Leaders Forum Dinner was a great success with positive feedback from our members about the night - the food and beverage service was very polished and the menu was a wonderful showcase of great produce and skillful cooking. We are pleased that we were able to have dinner at Biota. Thank you for your assistance leading up to the event and on the night. Please extend our special thanks to the team, especially to James Viles. Thank you again and look forward to working with you again in the future.

*Joyce DiMascio, GM, EEAA 2013 Leaders Forum, April 2013*
